

GET CLEAN™

Safer for you
and your planet.™

64 fl. oz.
Makes **32** Gallons of
Industrial-Strength Cleaner

Basic H²™ Super Cleaning Concentrate

How do you get industrial-strength clean without industrial-strength toxins? You put this concentrated wonder on the job to power through yours. Then you breathe a sigh. Because it wipes out your worst grime. Yet it doesn't wipe out your lungs. Or any other natural resources, for that matter.

Benefits

All you need for thousands of household jobs

- Ultraconcentrated and economical – 64 ounces makes up to 32 gallons of industrial-strength cleaner.
- Versatile cleaner – removes dirt, grease, and grime from any washable surface, inside and out.
- Cuts through the most stubborn grease and grime, leaving no smeary residue.
- No rinse, no residue, streak-free formula.
- No added fragrance.

Use on any washable surface – indoors or out

- Walls
- Countertops
- Stoves
- Floors
- Stainless steel
- Windows and mirrors
- Appliances
- Sealed woodwork
- Sealed granite
- Sealed marble

(Not intended for use in aquariums or windshield washer reservoirs.)

Did you know?

Some chemicals may cause hormone disruptions. Others, such as butyl cellosolve, are neurotoxins and nasal irritants. Another toxin, morpholine, can cause liver or kidney damage. Glass cleaners may contain ammonia, a poison that can irritate skin, eyes, and the respiratory system.

Basic H² does not contain these hazardous ingredients.

Shaklee Difference

SAFE

- ✓ Nontoxic
- ✓ No toxic fumes
- ✓ Fragrance free
- ✓ Mild on your hands
- ✓ pH balanced
- ✓ No chlorine bleach

POWERFUL

- ✓ Tough on grease
- ✓ Ultraconcentrated – 64 oz. makes up to 32 gallons of industrial-strength cleaner

GREEN

- ✓ Made with ingredients from natural sources – derived from coconut
- ✓ Biodegradable surfactants
- ✓ No phosphates
- ✓ Recyclable packaging
- ✓ No dyes
- ✓ Safe for septic systems and graywater

This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

Green Seal is an independent nonprofit organization, well recognized for awarding certification to products that prove to be environmentally preferable and effective after scientific evaluation.

Basic H²[™]

Super Cleaning Concentrate

Excellent for cleaning and degreasing all nonporous hard surfaces, floors, sinks, countertops, bathrooms, walls, appliances, stainless steel, and sealed granite, marble, and wood. Follow the dilution directions below depending on the level of clean that you need. Dilute product with cold tap water.

Industrial Strength: Dilute at 1:64 (2 oz. per gallon of cold water) for industrial-strength cleaning. Spray surface and wipe with a sponge, mop, or clean cloth. Cleaning solution may also be applied with a clean cloth, brush, sponge, or mop. Wipe dry as needed with a clean cloth. No rinsing required.

Light Duty: Dilute at 1:378 (2 teaspoons per gallon of cold water) for light duty cleaning. Spray surface and wipe with a sponge, mop, or clean cloth. Cleaning solution may also be applied with a clean cloth, brush, sponge, or mop. Wipe dry as needed with a clean cloth. No rinsing required.

Windows and Glass: Dilute at 1:6,308 (1/8 teaspoon per gallon of cold water) for windows and glass cleaning. Apply to surface to be cleaned with a sprayer and use a squeegee or wipe off with a clean, lint-free absorbent cloth and buff to a shine. No rinsing required.

Directions for best results
